

A GOPIKA KRISHNAN

Aspiring Astrophysicist

gopikaampadi006@gmail.com | +973 39760018, +91 8921399492 | <http://www.linkedin.com/in/gopika-krishnan-b47898379>

Profile Summary

Aspiring **Space Research Scientist** pursuing **B.Sc. in Physics and Computer Applications** at **Christ Nagar College, Thiruvananthapuram**. Skilled in **Python, MATLAB, and data analysis**, with practical experience in **electronics, robotics, and computational simulations**. Strong foundation in **astrophysics and applied physics**, seeking to contribute to **space research and innovation** at organizations such as **ISRO** or **DRDO**.

Education

2024 – ongoing	Christ Nagar College, Thiruvananthapuram Bachelor of Science in Physics and Computer Applications <i>Subjects Studied (till Semester 3):</i> Problem Solving Using C, Differentiation and Linear System of Equations, Foundation Course in Physics I & II, Object Oriented Programming Using C++, Applications of Differentiation and Ordinary Differential Equations, Basic Electronics, Electrodynamics, Geometry, Multivariate and Vector Calculus, Software engineering (SGPA 8.9)
Graduated 2024	12 th Standard Carmel School, Peyad, Thiruvananthapuram <i>Subjects Studied:</i> Physics, Chemistry, Mathematics, Computer Science, and English. Percentage 80%

Work Experience

2024– ongoing	Volunteer & Event Organizer Christ Nagar College, Thiruvananthapuram Coordinated and managed college-level scientific workshops on robotics and practical physics. Collaborated with peers to streamline event planning and execution, ensuring smooth participation and learning outcomes. Strengthened team management, problem-solving, and leadership skills through hands-on organizational experience
December 2025- January 2026	Involved in organizing technical events under ChrisTech 26, Christ Nagar College, Maranalloor
February 2026	<i>Artificial Intelligence and Machine Learning Methods for Active Galactic Nuclei Identification: A Comprehensive Research Report.</i> Presented at the 5th International Conference on Advanced Information Science and Computing Systems (ICAISCS 2026) , Christ Nagar College, Thiruvananthapuram. Volume V (ISBN: 978-93-5627-216-3)
April 2026	Intern Astronomical Observatory Unit, Thiruvananthapuram - Performed astronomical image analysis and measurements using ImageJ software. - Contributed to the development of a historical archive website for the observatory. - Prepared technical reports and documentation based on observational data. - Gained hands-on experience in astronomy research practices and scientific data management.

Certifications and Courses

2025 – Biophotonics | SWAYAM | 3 months

Learned about the interaction of light with biological systems and its applications in imaging and diagnostics.

December 15-17 2025

Attended Workshop on *Active Galactic Nuclei* at Farook College, Calicut, conducted in association with IUCAA Pune

Feb 2026

Familiarisation Workshop on Quantum Computing – Foundation for QC Innovation (FQCI), Indian Institute of Science (IISc), Bengaluru
